

# Foundation Paper Piecing CHEAT SHEET

by Amy Gibson  
StitcheryDickoryDock.com

## Getting Started:

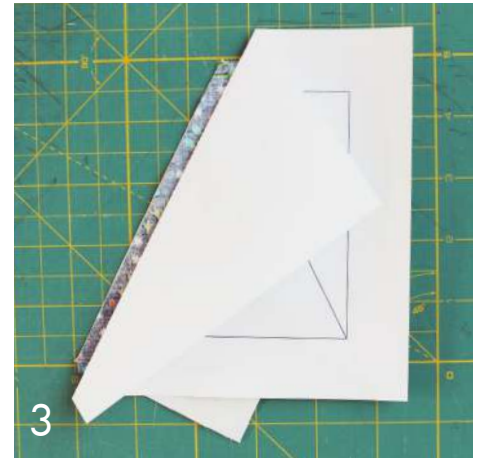

- Print templates (no scaling or fit to page)
- Trim to about 1" around perimeter
- Run a tracing wheel along interior lines to perforate
- Reduce stitch length to 1 or 1.5
- Cut fabric for patches at least 1/4" - 1/2" larger on all sides

1 Align Patch 1, right side facing out

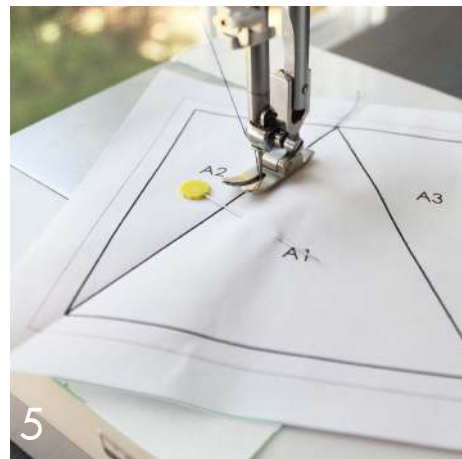

2 Fold on line, trim fabric to 1/4"

3 Align Patch 2, right sides together

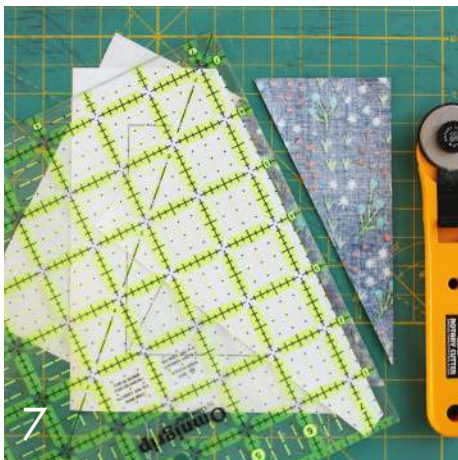

4 Back view of Patch 2 alignment

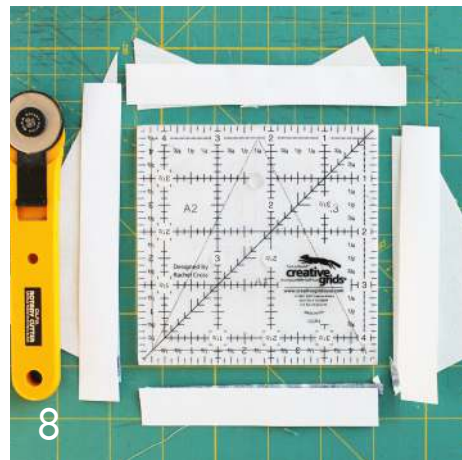

5 Flip, sew on the line

6 Press patch open

7 Fold next line, repeat Steps 3-6

8 Trim perimeter

9 Finished Unit
